EDUCATION

Edgefield Secondary School

2020 - 2023

I was part of my school's Taekwondo team and have represented my school in several competitions. I have shown resilience and discipline throughout my Taekwondo journey in my school. I have shown respect towards my teachers and peers and have displayed commitment to achieve my best.

Nanyang Polytechnic

2024 – Current

I am an active member of my school's chess club, where I have represented the school and won multiple awards. In addition, I participate in kickboxing as a co-curricular activity, which reflects my discipline, perseverance, and commitment to continuous self-improvement. I have also volunteered as a host for several international student exchange programs, allowing me to strengthen my communication and leadership skills while engaging with diverse cultures. As part of my academic curriculum, I have also acquired a foundational understanding of the Japanese language.

WORK EXPERIENCE

McDonald's Kitchen Staff

Jan 2024 – Feb 2024

I worked in the opening shift, and I helped to set up all the equipment and made sure all the supplies were in stock. When the restaurant opened, I helped prepare drinks and serve meals to customers. This reduced the worked load of the other kitchen staff, and we were able to work more efficiently

FairPrice Assistant Staff

Feb 2024

I helped to collect baskets from cashiers and returned them to the collection point. I also returned unwanted products back to their respective isles. This helped to ensure that customer flow was able to run smoothly
